Tips on choosing the child care that is right for you and your child:

Ask -

- Is the provider able to provide care for all the days/hours you are needing?
- How will information be communicated?
- Is the provider willing to give references?
- For a tour of the home/center.
- Will the provider have a problem if you just drop by unexpectedly?
- To see their outside play area. Is there trash in the yard? If there is a pet, are the pet droppings kept picked up and is the pet friendly?

Observe -

- How are you greeted by the provider?
- Does the provider acknowledge and speak to your child when you arrive?
- Is the home/center clean, comfortable and "kid friendly"?
- Is there a Daily Activities Schedule posted and followed?
- Are the activities/crafts appropriate for the age of your child?
- Does the provider interact with the children in their care?
- Is the provider involved with the children, such as with a craft or a game?
